XI.		<p>Read the following passage and answer the questions that follow : <span style="float: right;"><math>1 \times 4 = 4 (2 \times 2)</math></span></p> <p>Punctuality is a habit which must be cultivated by every cultured person. It is the mark of civilisation and culture. It has been rightly called the 'soul of business'. In our daily life, we have to attend to various types of business. This brings us in contact with other people. We hardly realise that in being late, how much annoyance and worry we unnecessarily cause to others.</p> <p>Nelson, the philosopher used to say that he owes his success to punctuality in his life. If a man has various duties to attend to, he must be punctual. Otherwise his life will be a failure.</p> <p>It is no easy thing to be punctual. It requires a man all the energy to regulate his life, if he wants to be punctual in every business. Unpunctuality invites trouble and worry. A man who is punctual and keeps his appointment is sure to be held in high</p>
